(a) whether the appointment of two retired professors beyond the age of superannuation is violation of AIIMS Act; and

(b) if so, the reasons therefor with details?

Answer

MINISTER OF HEALTH AND FAMILY WELFARE (SHRI SHATRUGHAN SINHA)

(a) & (b): Two retired Professors, Viz. Dr. N. Kochupillai and Dr. V.K. Dada were re-employed for a period of 2 years beyond their age of normal superannuation i.e. 62 yrs. To the post of Professor in the Department of Endocrinology & Metabolism and Dr. Rajendra Prasad for Ophthalmic Sciences respectively with the approval of President, AIIMS ratified by the Institute Body.

The request of the Institute for making necessary provision in Regulation 30 of AIIMS Regulations 1999 for grant of extension in service to faculty members on a case to case basis upto the age of 64 years was taken up with the Department of Personnel & Training. The Department of Personnel & Training Commented that the proposal of the Department of Health to make provision for re-employment upto the age of 64 years is against the General Policy of the Government and could not be agreed to. In the light of the above, the re-employment of Dr. N. Kochupillai and Dr. V.K. Dada have been discontinued w.e.f. 31.10.2002
